

Philadelphia FIGHT
The 13th Annual AIDS Education Month
2007

1st Annual Global Forum
Our Crisis: The Healthcare Worker
Shortage

Thursday, June 7th
5:00-8:30 pm
The Friends Center Corporation
1501 Cherry Street

Please join us for a dinner presentation by Partners
In Health followed by workshops facilitated by
Health GAP to explore our next steps.

This forum is *free* and *open* to the public but you
must reserve a seat.

Please RSVP online at www.fight.org/aem or call
215.985.4448, ext. 250.

Forum Description:

People are dying unnecessarily due to the shortage of healthcare workers to meet treatment needs. In sub-Saharan Africa, a mere 3% of the world's health workers struggle against all odds to treat 14% of the world's population and combat 24% of the global disease burden. This forum will explore the policies and next steps needed to meet global needs.
