

Beyond the Walls: 8th annual Prison Health Care & Reentry Summit

Temple University Student Center
8:30am-5:00pm

Tuesday, June 22nd
1755 N. 13th Street

This is a day for **ALL** of us!

Former prisoners, their families & loved ones, advocates, activists, service providers, faith communities, recovery communities, prison staff, health care providers, probation & parole officers, lawyers & social workers.

Through discussion & workshops, we will strategize on how to meet the needs of people who are incarcerated & people who are coming home, & develop a plan for increased advocacy on prison health care, reentry supports, and building safer & more vibrant communities.
